DE Die Enter-Pulte haben außer den Arbeitsflächen, auch Flächen für den Kundenkontakt.

Enter Call Centre

HR Program Enter Call Center predstavlja najbolji izbor za opremanje call centara. Moguće je kreirati efikasna radna mjesta fizički odjeljena kako bi se omogućila privatnost te olakšala telefonska komunikacija ili zaseban rad na računalu. Multipliciranjem radnih mjesta stvara se funkcionalan ured koji osigurava privatnost.

ENG Enter Call Centre Program is the best choice for outfitting Call Centres. It is possible to create effective workplaces physically partitioned to allow for privacy and facilitate telephone communication or a work on a computer in a private space. By multiplying number of work spaces a functional office is created with guaranteed privacy for each employee.

DE Das Enter-Call-Center-Programm ist die beste Wahl für das Callcenter. Es können effektive, getrennte Arbeitsplätze geschaffen werden, um die Privatsphäre zu schützen und die telefonische Kommunikation und Rechnerarbeit zu erleichtern. Durch die Multiplikation der Arbeitsplätze bekommt man ein funktionales Büro mit geschützter Privatsphäre.
